FOUR NAMES. ONE Y.

The Y connects our names.

The phoenix represents our belief in rising together. In supporting one another. In seeing what's possible and helping each other move toward it.

THIS IS ALIYA

A family of care communities across Chicagoland.

We support people through recovery and everyday life.

And we support the teams who make that care possible.

18 locations. One purpose.

OUR COMPLETE FAMILY

ONE FAMILY. MANY NEIGHBORHOODS.

18 communities across Chicago and the surrounding suburbs.

Each with its own people, stories, and connection to the neighborhood.

CARE FOR WHAT COMES NEXT

RECOVERY. TRANSITION. EVERYDAY CARE.

CORE CAPABILITIES

Available at every location.

Wherever someone is in their care journey, our purpose stays the same: people taking care of people.

Specialized programs and services vary by community.

Good care lives in the details.

- A warm welcome.
- A question answered.
- Someone taking the extra moment to listen.

The Y Experience brings our purpose into everyday interactions, helping residents, families, and teammates feel seen, heard, and supported.

EVERY ROLE MAKES A DIFFERENCE

Care takes a whole team.

From our home office to every community, **every role helps make care possible.**
